We do not have responsibility with missing file of this book.

Arthur is only in New York for the summer, but if Broadway has taught him anything, itâ€™s that the universe can deliver a showstopping romance when you least expect it.

Ben thinks the universe needs to mind its business. If the universe had his back, he wouldnâ€™t be on his way to the post office carrying a box of his ex-boyfriendâ€™s things.

But when Arthur and Ben meet-cute at the post office, what exactly does the universe have in store for them?

Maybe nothing. After all, they get separated.

Maybe everything. After all, they get reunited.

But what if they canâ€™t quite nail a first date . . . or a second first date . . . or a third?

What if Arthur tries too hard to make it work . . . and Ben doesnâ€™t try hard enough?

What if life really isnâ€™t like a Broadway play?

But what if it is?
